Preaching the 1st Century Gospel to a 21st Century World

Be Kind Like God

Titus 3:4 “But when the kindness and the love of God our Savior toward man appeared.” Kindness is an attribute of God and as we discussed last week it is expected of those who follow Him.

Kindness is not an attribute of Man. It goes against the desires of the flesh, the desires of the eyes and the pride of life. As children we learn that kindness does not get you the things you want. Kindness does not pay the bills. Kindness does not get me that promotion. What we are taught from youth is it is a dog-eat-dog world. It describes a situation in which people will do anything to be successful, even if what they do harms other people. We learn from an early age that if we are to succeed in life, in business, in sports we are to have that killer instinct and to show no mercy.

Again, kindness is not an attribute of Man. But it is an attribute of GOD. Kindness comes in many different forms. It can be through hospitality, it can be manifested through a love of mankind, it can be through a benevolent act, it can be through brotherly love, it can be through compassion. Kindness can be shown in many different ways.

Two ways kindness can be shown is through the teaching of the Gospel, what better way to show kindness is to help someone who is Lost by teaching them the Gospel and then being in a right relationship with God. A second way to show kindness is when a person who is in a sinful state that we go them and teach them God’s correct way in living.

Kindness requires time and energy, it requires going against our fleshly desires and trying our best to do His will, His way.
